

Tornado Safety Tips

Tornado Safety

BEFORE THE STORM:

- ❖ STAY INFORMED ABOUT IMPENDING SEVERE WEATHER
- ❖ HAVE A RADIO, BATTERIES, AND FLASHLIGHTS AVAILABLE IN CASE OF POWER OUTAGES
- ❖ HAVE FIRST AID SUPPLIES ON HAND

Tornado Response Guidelines:

- ❖ **Get In:** Find a place as near the center of a strong building as you can
- ❖ **Get Down:** Go to the lowest floor
- ❖ **Cover Up:** Use whatever you can to cover your head and protect yourself from debris

Remember:

- ❖ **Being outside, in a car, or in a mobile home during a tornado can be deadly. Do all you can to find shelter!**
